Doubleheader On Sunday For Benefit of Local Red Cross

All-Stars and Ruger Giants Meet in Battle at Moiliili Field—Braves and Hawaiis Will Clash in First Game of Day—Total Receipts Go to Organization—First Event of Kind This Season—Chinese Will Play Wreckers in Game at Athletic Park

One of the largest crowds which has ever gathered at Moiliili field is expected to be present on Sunday afternoon when the big Red Cross benefit doubleheader is staged. The managers of the league have been working on the plan for some time, and inasmuch as this will be the first baseball event staged for the Red Cross, the fans are expected to turn out in numbers.

Two good cards have been scheduled for that day. In the feature game, the All-Stars will meet the Ruger Giants. A hard game is expected, as in the last contest the Giants barely edged the All-Stars out in an 11-inning battle. Crumpler and Kelly will perhaps be the choice to hurl for Chillingworth's team, while Cummings, who has not yet been defeated, will be the choice for Ruger. Cummings has a deceiving delivery, and the Stars were unable to find him for many hits in the last contest.

Given Big Boost

Army officials and civilians are interested in the first baseball movement for the Red Cross, and the doubleheader was given a boost at the big registration luncheon today at the Alexander Young hotel. The golf players have done their share for the Red Cross, and the baseball players have planned a number of stunts which will go to the benefit of this organization.

An effort is being made to secure a local speaker who will address the fans on Sunday, urging all to get out on registration day. Those players in the Pacific League which are over 21 will be asked to register. Each manager of the team will see to it that his players do their duty on Monday.

Braves vs. Hawaiis
In the first game of the day the Braves will meet the Hawaiis. This

contest appears to be one that will be more than worth while. The Hawaiis have greatly strengthened their team, and with a strong pitching staff have an even chance to down, Bill Lee's squad. The Braves are out for the pennant this series, and Sam Ku may be sent into the box to stop the Hawaiis team.

The managers of the league have decided that the same prices will remain in effect as before, and believe that with a large crowd which is expected to present to the Red Cross. The players are certain to receive the support of those interested in the Red Cross, and the Red Cross will, in turn, receive the hearty support of the players in any plan they have in mind, according to the report made by the managers at the last meeting.

The Chinese team of the Honolulu League will meet the 25th Infantry team at Athletic park on Sunday. It was suggested that this game be postponed owing to the Red Cross doubleheader, but the teams will go ahead with the arrangements. They will play one game, beginning at 3 o'clock.

Kim Luke, manager of the Chinese, said that this game was not a benefit for the Red Cross, but an exhibition game. The Chinese team have been playing good ball of late, and are the only aggregation in the Honolulu League which has showed much real baseball. Following this game the Chinese are doubtful as to their program, but may continue to play in a league at Athletic park.

Jasper or Jackson is expected to hurl for the 25th Infantry team, as Rogan has been troubled with a sore arm, and was pulled out of the game the other day at Schofield. Rogan is expected to round in shape, and Wilbur will show some real pitching before many moons.

KAULUWELA MEET PROVES BIG HIT

Lions Win Out in Most Successful Track Meet Ever Held at This Club

The most successful indoor track meet ever held at Kauluwela was staged last night in which three teams of the Midget division took part, namely the Kauluwela Tigers, the Kauluwela Lions and the Kauluwela Invincibles. The Midget division included all boys under 75 pounds, and the boys entered were decorated with miniature sized pennants with the letters I for Invincibles, T for Tigers and L for Lions, and when S. W. Robey took them down to Palama to weigh them up for the coming mid-summer indoor baseball series today they were still wearing their teams' letter, some pinned on their sleeves and others sewed. The result: Lions 32, Invincibles 27, Tigers 19.

The first event of the evening was the 50 yds. and You Tuck of the Lions was first, with Alexander a close second and Mew a poor third. You Tuck again took the hundred, with Alexander second and Ah Chow just inches behind Alexander. Joseph in the standing broad jump was a big disappointment and was not even placed, while Ah Chow took first with 85 in., some distance for a 72 pound youngster. You Tuck was second with 84, and Eugene Yap third with 80 inches.

The half mile relay, 4 men five laps each, was close and interesting, with the Tigers leading for the first quarter, then the Invincibles took the lead and held it up to within 50 yards of the tape, when Tuck made a final sprint and nosed out Joseph by a few feet.

The hop-step-and-jump went to Chow of the Invincibles, 19 ft., 1 in., with Tuck second, 18 ft., 1 1/4 in., and Alexander a poor third, 17 ft., 5 in.

The 220 yds. was won by Alexander of the Tigers, with Chow second and E. Yap third. The shot put went to a tie for first between Chow, the captain of the Invincibles, and Tuck, the captain of the Lions, at 19 ft., 5 in., and at their request, backed up by their team mates, they went at it again and Chow won out by beating Tuck one inch. During this event the judges and those in charge had their hands full keeping the floor space open.

The half mile was a shoulder to shoulder affair up to the seventeenth lap, when Alexander started to sprint, and the surprising part of it is that he did not blow up, but kept it right up to the finish and was under the tape almost a full lap ahead of Chow, who finished just ahead of Yap.

The last event was a tug of war and the way those kids fought it out speaks well for the future defenders of our country, for the last set between the Lions and Invincibles, at

though lost by the Lions, was most certainly not lost because they failed to do their best, for they were still pulling and struggling long after they had been dragged over the line of defeat.

Real Champions==They Know How; Will Play Tomorrow

Some time ago a real baseball fan was asked which team he thought was the best in the islands. "I'm going to surprise you somewhat," said the fan. "You perhaps think I am going to say the 25th Infantry or All-Stars. Here's where I fool you. I believe that the St. Louis College team playing in the Pacific league is the best baseball team in the islands today. This team coached by Brother Elmer and Billy Miles has made a reputation not only in Hawaii, but throughout the islands. I won't say that the St. Louis team can win from the 25th Infantry, or All-Stars, but for inside baseball, hustle and ability to take advantage of the opponents' slips, they have it on the rest of the teams. They play together and their record during the past few years is such, that you have to hand it to Brother Elmer, Billy Miles, and the fast aggregation gathered together. If you don't think that this team is a real baseball team, ask Henry Chillingworth, Rogan, Kim Luke, Gollah, Fagin, Stewart, or any of the others who have watched them play," he concluded.

St. Louis captured the intercollegiate championship this season, and added to their laurels by winning the first of a series in the Pacific league. There are a number of teams who might shape up with this squad as individual stars, but they have been taught baseball by Brother Elmer and Billy Miles, and they never forget the game. That combination of Haneberg and You Bun around second base is more than worth while, and will shape up with any combination in the islands. St. Louis will meet McKinley in the first game tomorrow, and as these teams are natural rivals they should put up a good game. In the last series the St. Louis team was beaten but once, when Nushida and the little Asahis downed the Saints by a score of 2 to 0. The players from left to right, top row, are: George Haneberg, 2. b.; Lam Wing, r. f.; You Bun Hee, s. s.; Kekipi, c. and r. f.; Second row, King Tan, 3. b.; Brother Elmer, athletic director and coach; Lai Sin, 1. b.; Billy Miles, coach, manager of the Pacific league and all around booster; Hayse'en, the star southpaw; Lower row, Markham, p.; Fun Luke, l. f.; Kurisaki, capt. and c.; Chun Chew, c. f. and Stewart, p.

MAY ENTER FOR LONG SWIM AT Y.

Almost a score of swimmers have already indicated their intention of entering the 25-mile contest swim as proposed by the Y. M. C. A. The association is awarding a diploma to every man or older boy who swims 25 miles in five months or between August 1 and next New Year's day—January 1, 1918.
To the man finishing first, a silver cup is to be awarded, but the chief

Interest of the event does not lie in the one who finishes first, but the number of swimmers who are able to do this distance in five months. Stubby Kruger says it can be done in less than a week—but then Stubby is Stubby, and there are not many like him. The contest is promoted for the rank and file of swimmers to encourage long distance and practical swimming.

The contest opens at noon on next Wednesday and as an auspicious opening of the contest a number of starters will swim their first distance on that day. A formal start will be made promptly at noon from the edge of the pool. Henry McKeague, the pool attendant, is the official scorer and mathematician. A bulletin board will keep every one informed of the progress of the marathon.

No required distance need be swum on any one day; there are no entrance fees; one can be 16 years old or 50. Only boys under 16 are barred and these for physical reasons. There will probably be a banquet given on the night of the closing of the contest tendered to all who have finished the 25-mile swim during the five months.

German agricultural newspapers sharply criticize the action of the government in offering farmers premiums for the delivery of grain before August 16 and September 1. They say that no grain in normal times reached the German markets before the end of September, and complain that the government is therefore

tempting farmers to harvest the grain before it is ripe.

ST. LOUIS TOSSERS MEET MCKINLEY IN BATTLE TOMORROW

Doubleheader Will Be Staged at Moiliili Field; Filipinos vs. Chinese in Second Game

BASEBALL SATURDAY AT MOILIILI FIELD

1:30—St. Louis vs. McKinley.
3:30—Filipinos vs. Chinese.

Two good games have been scheduled for Saturday afternoon at Moiliili field and four teams will start out on the fight for the pennant for the second series. Three of the teams which will play tomorrow have been strengthened, while St. Louis is standing pat on their lineup, although it is rumored that they have secured a star from one of the schools on the mainland.

Herman Markham, who has been pitching an excellent brand of ball in the past few games, will perhaps be selected to start for St. Louis, and Ross, Kukulshima, Monsarrat and Takiyama will be ready for McKinley. The addition of Kim Wal and Souza has greatly strengthened the McKinley team, and with Dol to relieve Kan Leong, the high school squad looks promising.

In the second game of the day the Filipinos will meet the Chinese team. Hosea, Basio or Lario, the latter a new speed ball pitcher, will be ready to go in against Nelson Kau's team. Lopes will be behind the bat. Beny, Marcial and Imanas will play in the infield, and Luis, Garcia, Boni and Defina will be selected to take care of the outfield.

Kong or Von Sue is expected to hurl for the Chinese, with Nelson behind the bat. Lum Dunn, Wong, Sunn Hung, Pong, Kau, Young and Tan Lo will be ready to play in this game. In the last contest the Filipinos won by one run in the 125th inning, and the Chinese are anxious for revenge.

HAVE YOU A SON IN THE TRENCHES?

Have you a boy or a friend in the shell-torn trenches doing his "bit"—waiting to repel the charge or to leap forward at his leaders' command? You know that few things can be so welcome as word from home. You haven't time to write all the news, but we have. And every day we can tell him everything of importance that happens in his "home town."
